RE: Recommendation of GBP International Sdn. Bhd.

Dear Sirs,

This is to confirm that our company MOX TELECOM AG has used the services of GBP International in conjunction with our business expansion program in Asia Pacific.

The services included among others: market research, VOIP licensing, identification of acquisition targets in Asia, recruiting, business development and the formation of our subsidiary company in Malaysia. Further to the services rendered GBP International also engaged frequently with our management on strategic issues and matters of business development for our company.

We thank GBP and especially its managing director Mr. Volker Friedrich for their professional cooperation and valuable contributions based on their extensive experience and network in Asia Pacific.

We are happy to recommend the professional services of GBP International to other companies and would not hesitate to cooperate with GBP again in future.

Thanking you.

Kind regards,

Dr. Günter Schamel, CEO
