To Whom It May Concern

Dear Madam or Sir,

This is to confirm that the undersigned in his various positions at SIME DARBY MALAYSIA, the UNITED NATIONS in New York and Geneva, and at BLUENUMBER has been interacting with Volker Friedrich, CEO of GBP INTERNATIONAL, and his team of professional consultants on several professional engagements since the year 2005.

Our projects have been related to cross border investments, technology assessments, strategy developments and others from various industrial sectors.

At all times Mr Friedrich and his team members have been inspiring partners and we have been deeply satisfied with their performance.

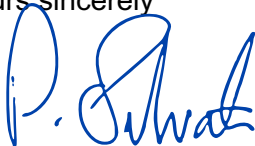

GBP INTERNATIONAL is a business consulting firm with over 20 years of experience. It specialises in cross-border transactions, developing internationalisation strategies and holistic B2B business cases for supply chains across several industries.

GBP INTERNATIONAL maintains a unique and extensive network of professionals and connections from which we have benefitted on many occasions. We recently appointed Mr Friedrich to our board of directors at BLUENUMBER and we disclose that he is a shareholder of BLUENUMBER in his personal capacity.

We highly recommend cooperating with GBP INTERNATIONAL especially for projects with an Asian-European context to benefit from the deep cross-cultural understanding and attention of Volker Friedrich and his team.

We are happy to provide personal reference upon request and wish GBP INTERNATIONAL all the very best for the future.

Yours sincerely

Dr Puvan J Selvanathan
